Dear Trojan:

Welcome to the next great year at Kelly Walsh High School! I want to take this opportunity to inform you of a couple changes for the 2018-19 school year. On your schedule you will notice a class titled “Trojan Connections.” The focus of this period is to help you stay current on grades, tests, and make-up work. You will earn a quarter of a credit for this class. Don’t view Trojan Connections as an elective. It is a required class.

Our parking options have improved since last year, but we will still experience some challenges during the first few weeks of school. The south parking lot adjacent to 12th Street will be designated for staff only when it is completed. On campus parking for students, visitors, and staff is available in the following areas: main parking lot (directly north of main entrance), stadium parking lot (north of aquatics center building), and the peninsula parking lot northwest of the staff parking lot. Please be aware that the City of Casper will enforce all parking violations on city streets, and Walsh Drive and 12th Street will be zoned as “No Parking” on both sides of the street. Please let your parents know that violations in these areas will be strictly enforced. Pick up and drop off areas will be available in our main parking lot.

Our neighbors have been really good sports about the parking situation during our construction period. I encourage all of you to use the parking lots on campus. Be good neighbors!

Mike Britt
Kelly Walsh High School Principal
