Letter From the Principal

Dear Trojan Families,

With the ending of the school year comes many celebrations! The Academic Awards Banquet for our Top 10% is already behind us, and the Senior Awards Celebration is on May 12th. Several activity and athletic groups are participating in season ending events over the next couple of weeks, and our soccer, softball, and track teams are all very competitive and will conclude the athletic seasons on high notes. Our MJROTC teams continue to pile up

state titles, and our Science Bowl and Science Olympiad teams have won state competitions to qualify for nationals. We also have several students representing Kelly Walsh High School and Pathways Innovation Center at Skills USA this summer. On May 30th, we anticipate around 450 Trojans will cross the stage at the Ford Wyoming Center to celebrate a huge accomplishment by collecting their diplomas.

We are also very close to wrapping up assessment season. We have successfully completed the ACT test for juniors and WY-TOPP summative assessments for freshmen and sophomores. Some of our students are starting AP testing this week as well. Thank you for all your help in making sure we had strong completion rates and for encouraging your students to do their best.

Plans are underway to get ready for the 2025-26 school year. We are scheduling sophomore, junior, and senior registration days in August. Freshmen will have their own day in August that will have more of an orientation feel to it so our incoming Trojans are ready for the high school transition. Please note that the first day of school next year is Monday, August 25th. We had a lot of positive feedback regarding the change to our Back to School Night so once again we will host that event BEFORE the first day of school on Thursday, August 21st.

I would like to sincerely thank our Trojan community of students, staff, and families for making this school year so successful. Thank you for allowing us to work with your sons and daughters every day!

Sincerely,
Mike Britt

May 21 Wednesday / 22 Thursday This is our process for graduates picking up caps and gowns. SPANISH HONOR SOCIETY

Spanish Honor Society has had a great year. Some of our highlights include partnering with the Nicolaysen Museum last fall to help with their *Día de los Muertos* event. We also worked with KW native-speaking students and visited elementary schools. We read books to the students in Spanish. Some of the books were written by published authors and others were created by our students. They had a blast! We also participated in the Pulsera Project. It is a fair trade nonprofit organization that educates, empowers, and connects Central American artists with students through the sale of colorful, handwoven bracelets (*pulseras* in Spanish).

Currently we are raising money for the Rainforest Foundation US. They support Indigenous peoples and forest communities in their efforts to secure their lands, protect their environment, and uphold their rights. We are running this fundraiser from now through May 19. If you have a few dollars to spare, we would love your support! Here's the link:
