

KELLY WALSH HIGH SCHOOL STUDENT PARKING REGISTRATION

Students are required to register all cars they will be parking on campus. Please fill out this form to receive your parking tag. Parking tags must be visibly displayed at all times cars are parked on campus. Students will not be charged for parking tags.

Students who register their vehicles will be subject to a fine each time their cars are parked on campus. School fines (tickets) will be issued for those who park illegally or demonstrate unsafe driving practices on campus. **More than two parking/driving violations during the school year could result in losing parking privileges on campus.**

Students must drive safely in the parking lots at 10 MPH.

PERMIT

Print Name _____ Grade _____

1. Vehicle License # _____ Car/Truck _____

Vehicle Make: _____ Model _____ Year _____ Color _____

2. Vehicle License # _____ Car/Truck _____

Vehicle Make: _____ Model _____ Year _____ Color _____

I understand that any vehicle parked on school property is subject to search without permission. The Casper Police Department can also ticket individuals who park in fire lanes, illegally, or in designated disabled parking spots without a legal placard or sticker. I understand the City of Casper will enforce all parking violations on city streets, and Walsh Drive and 12th Street are zoned as “No Parking” on both sides of the street.
